COMMITTEE MEETINGS NOW HELD ON 2ND MONDAY NIGHT

In an effort to broaden participation in the monthly meetings of the Troop Committee, we have begun holding them at the Sacred Heart Cathedral Parish Hall on the second Monday Night of each month during the regular troop meeting. The Troop Committee manages the Troop's finances, sets policy, approves the Troop Calendar and conducts such other business as may come before it at these meetings. As part of our regular agenda, we are trying to set aside the last 15-20 minutes of each committee meeting as a parent forum. We have already held two meetings under our new schedule and format, and grateful to see new faces getting involved. We look forward to having all families represented in this important function of a healthy troop.

Continued from front page:

the drivers set out, so the cars would be waiting for us at the end of the trail. After five miles of hiking we sure were glad to see our vehicles waiting!

We stopped at Ci Ci's for lunch on the way home. With about twenty scouts who had hiked more than thirteen miles – you know we ate our money's worth!
